ORDER RESETTING TRIAL

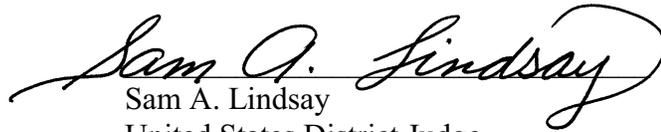

Before the court is Government's Unopposed Motion to Continue Sentencing Hearing and Motion to Continue Trial, filed September 16, 2014. Upon consideration of the motion to continue trial and the applicable law, and in accordance with the findings set forth below, the court determines that the motion should be and is hereby **granted**. The motion to continue sentencing hearing for Case Nos. 3:12-CR-317-L and 3:12-CR-413-L, will be addressed by separate order.

The government requests a continuance of the trial setting because the parties have entered into a plea agreement in case numbers 3:12-CR-317-L and 3:12-CR-413-L, whereby the government agrees to dismiss the indictment in this case at the time of sentencing in cases 3:12-CR-317-L and 3:12-CR-413-L. The sentencing hearing for these cases has been reset to November 24, 2014. In accordance with 18 U.S.C. § 3161(h)(7)(A) and (B)(iv), the court finds that the ends of justice served by granting this motion for continuance outweigh the best interest of the public and Defendant in a speedy trial. Therefore, any period of delay resulting from the court's granting the motion for continuance shall be excluded in computing the time within which the trial of this cause must commence under 18 U.S.C. § 3161.

Accordingly, the current trial setting of October 27, 2014, is hereby **vacated**, and this case is **reset** for trial on December 15, 2014.

All other portions of the court's original Criminal Trial Scheduling Order remain in effect.

It is so ordered this 17th day of September, 2014.

United States District Judge
