**A:** Marco Bettini; Daniele Milan; Giancarlo Russo

**Oggetto:** Very urgent meeting

Hello

Phoebe just called. They want a 3way call with me and ht (Daniele) & Eric Chong , John's boss. : topic why exploit training must be in Milan. They have the money for this but are going to argue how it's done.

Do you have time to do a prep call with me and do you have the time now. Eric wants meeting now.
