Ten things we know to be true

## **#1: Focus on the user and all else will follow.**

Since the beginning, we've focused on providing the best user experience possible. Whether we're designing a new Internet browser or a new tweak to the look of the homepage, we take great care to ensure that they will ultimately serve you, rather than our own internal goal or bottom line.

## Doodles

Leonid Gaidai's 90th Birthday

Doodles are the fun, surprising and sometimes spontaneous changes that are made to the Google logo to celebrate holidays, anniversaries and the lives of famous artists, pioneers and scientists.

## Google Ventures

Google Ventures is an independent venture capital fund financed by Google.

With \$300 million to invest each year, the team looks to find and invest in the most disruptive and interesting startup founders.
