NCTC Mission Systems
Directorate of Plans and Administration

NCTC Online (NOL)
What is NCTC Online (NOL)?

NOL is:

- The primary dissemination system of terrorist and terrorism related information produced by NCTC and other counterterrorism mission partners.
- A web-based application designed to provide users with collaboration and intelligence products to find CT data.
- NOL pages designed rapidly focusing on current and emerging “hot topics” in counterterrorism - i.e. Hezbollah, Syria, Foreign Fighters, Olympic Games.

Available On:
- JWICS (Top Secret)
- SIPRNet (Secret)
- RoundTable
Collaboration is instrumental in exchanging quality, time-sensitive information with other mission partners.

NOL - J collaboration features include:
- Email Notifications to ICE Mail
- Blogs
- Instant Message Chat
- CT Directory of Names
NOL – J Collaboration

- Access to all the community’s counterterrorism (CT) information
  ~ 7 million counterterrorism documents
  ~ 8,000 authorized NOL users, averaging 3,000 using it every month
  ~ 18 agencies with an ability to post intelligence products directly

- Finished Intelligence (FININTEL) from:
  • FBI, DIA, CIA, NCTC, NSA, DHS, NGA, NORTHCOM, EUCOM…
  • Provides a forum to exchange HCS Information across Agencies in the CT community
Products available on NOL:
- Intelligence Products
- Finished Intelligence (FININTEL)
