The test setup

From 12th to 14th of August 2011 this public platform is offered by German daily taz die tageszeitung, German weekly der Freitag, Portuguese weekly Expresso, Danish daily Dagbladet Information as well as the consumer protection organization Foodwatch; in cooperation with OpenLeaks. During this time you can upload documents, which will be worked on by the involved parties.

The goal of this setup is to invite you to do a security evaluation of the system during the Chaos Communication Camp 2011.

Security

Generally **any** further measures to protect your anonymity are always beneficial, and we recommend the usage of Tor, I2P or other anonymizing technologies! This page can be reached via Tor at ckkjdktn2elda5f2.onion.

We recommend **not** to speak to anyone about your submission. We do not retain any identifying data on you or your submission.

Your upload is cleared from hidden traces (like metadata) before being provided to the partners, and might be redacted by them if deemed appropriate.

Please choose a file for upload:
Please split files larger than 100MB in smaller chunks (Zip, RAR, 7zip). Thank you!

If you wish, choose an embargo date before which your data will not be published. Simply uncheck the box and fill in the appropriate info. Please enter the date in the format YYYY/MM/DD.

No embargo, defaults to on:

The upload will not be released until:

 / /

If you want to see the progress of your upload, please click here:
Open progress bar in separate window.

Open progress bar in separate window.

After you have uploaded your information, you can provide us with a detailed description. This will help us to classify your upload and respect your security needs.

Before submitting anything **verify** that the fingerprints of the SSL certificate match!
