Vitriol against @arifleischer entirely justified. He married a woman a decade younger than him - and she's as ugly as he is! #jackass

Don't we all agree now that Valerie Plame and her bloviating husband Joe Wilson are a couple addicted to attention and vanity?

Menendez-Corker resolution, as written, would prevent U.S. action if Syria used chemical weapons against Israel or any other nation.

Growing problem for the Administration -- too many 1st term holdovers not getting the hint that it's time to move on and get the fuck out.
Anyone else notice the irony of @brookingsinst holding a roundtable this weekend on Global Poverty in Aspen, CO? Good grief.

Me thinks @peggynoonannyc and @chrismatthews should get together and swap stories, share some drinks and discuss why they are irrelevant.

@adapttoreality Fair enough. Too bad the other boor has the graces of an unbathed caveman.

Should you hire anyone who can't figure out how to properly list his/her first and last name on LinkedIn? Seriously, people.

So has Kelly Ayotte been dropped from the McCain-Graham buddy coalition? She has been oddly quiet on Syria in recent days. That's good, BTW

That Obama only called Kerry/Hagel AFTER he made decision with his WH aides on going to Hill underscores how all foreign policy is WH-based.

Hey @nancypelosi -- tonight may not have been the best timing to send out a fundraising email. "As of 7 PM."
Does this mean @ambassadorrice challenged COS Denis McDonough in first real battle and lost? nbcnews.to/15gDB1E
