(8:28:54 AM) **Sabu**: just so you know this is the work of professional russian hackers:
<http://pastebin.com/JGxdK6vw> I know very well. because they were supposed to send me the sources (which I was going to send your ass like I did with nav)

(8:29:18 AM) **Sabu**: they're using anonymous to launch attacks at ukraine

(8:29:39 AM) **m45t3rs4d0w8**: lol, everyone uses anonymous for their own armys

(8:29:43 AM) **Sabu**: also some more enlightenment:

(8:29:53 AM) **m45t3rs4d0w8**: in soviet russia, russia controls anonymous ;)

(8:30:15 AM) **Sabu**: ;) its a good thing though. I respect their cause

(8:30:17 AM) **Sabu**: they got skills

(8:30:21 AM) **Sabu**: unlike 99% of anon

(8:30:30 AM) **Sabu**: and from what I hear they still support me

(8:30:41 AM) **Sabu**: because I think they're a bit smarter

(8:30:48 AM) **Sabu**: now for some enlightenment

(8:32:59 AM) **Sabu**: its a good read. and I agree with it 100% hence why I worked on it with him

(8:33:42 AM) **Sabu**: but I think its probably something we should keep priv8 until theres some development in his case

(8:34:19 AM) **Sabu**: this shit all drains me

(8:34:23 AM) **Sabu**: when I saw phrack released it

(8:34:27 AM) **Sabu**: I just wanted to break everything

(8:34:39 AM) **Sabu**: mainly because I feel angry

(8:35:53 AM) **Sabu**: on another lulzy note: th3j35t3r admitted he attacked an american server on american soil on his latest blog entry
