I haven't seen a significant difference between how WaPo has covered Snowden docs versus The Intercept. #adversarial #journalism

stefania maurizi @SMaurizi · Mar 22
@carwinb I do NOT know for certain, BUT I think The Intercept DID not consult the US govt on redactions

The Rancid Honeytrap @RancidTarzie · Mar 26
@SMaurizi what is that based on? A hunch? To me, the issue is, why do we have to guess? @carwinb

stefania maurizi @SMaurizi · Mar 26
(1/2) @RancidTarzie @carwinb based on 2 facts: 1) my experience in working w/@ggreenwald on #Snowden's docs abt Italy espresso.repubblica.it/inchieste /2013...

The Rancid Honeytrap @RancidTarzie · Mar 26
@SMaurizi based on what your own article says. I think what you've said here is very misleading. @carwinb @ggreenwald

stefania maurizi @SMaurizi · Mar 26
(1/2) @RancidTarzie @carwinb @ggreenwald absolute BULLSHIT: we NEVER EVER negotiated the publication of any doc, we contacted to ask 4comment

Alexa O'Brien @carwinb · Mar 26
@SMaurizi @RancidTarzie @ggreenwald Incidentally-- I think journalists should ask the government for comment (generally speaking).

stefania maurizi @SMaurizi · 18h
(1/3) @carwinb @RancidTarzie @ggreenwald yes, this is what we did: we asked 4comments, NEVER EVER negotiated w/ any govt/govt agency which

The Rancid Honeytrap @RancidTarzie · 18h
@SMaurizi article clearly states you asked US govt about concerns, they didn't express any. The end. Can we move on? @carwinb @ggreenwald

stefania maurizi @SMaurizi · 18h
(3/3) @RancidTarzie @carwinb @ggreenwald we were talking abt, they tried to access to our story before publication, we REFUSED

The Rancid Honeytrap @RancidTarzie · 18h
@SMaurizi yes, I got that. How very brave. @carwinb @ggreenwald
stefania maurizi @SMAurizi · 18h
. @RancidTarzie @carwinb @ggreenwald ready 2 talk abt redactions. I've ABSOLUTELY nothing 2 hide. I've published all sorts of docs w/ #WikiLeaks

The Rancid Honeytrap @RancidTarzie · 18h
@SMAurizi So talk. Who did redactions? What were they based on? @carwinb @ggreenwald

stefania maurizi @SMAurizi · 18h
(2/2). @RancidTarzie @carwinb @ggreenwald his work with the #Snowden files, but since 1 document was too highly redacted, I asked GG to

The Rancid Honeytrap @RancidTarzie · 18h
@SMAurizi and also that he redacted so much that you had concerns about it. What did the redactions conceal in general terms? @carwinb

stefania maurizi @SMAurizi · 18h
. @RancidTarzie @carwinb If I ask my opinion, I can tell that, based on my experience, I find #WikiLeaks publication strategy the MOST effective

The Rancid Honeytrap @RancidTarzie · 18h
@SMAurizi I do too, but that is not the point of my inquiry. I would like to know how these particular stories are produced. @carwinb

stefania maurizi @SMAurizi · 18h
. @RancidTarzie @carwinb I just can speak abt the story I worked on: I have no idea how @ggreenwald works for his Intercept/other media

The Rancid Honeytrap @RancidTarzie · 18h
@SMAurizi which was my original point. @carwinb @ggreenwald

stefania maurizi @SMAurizi · 18h
. @RancidTarzie @carwinb @ggreenwald BUT I NEVER EVER claimed otherwise. Check my tweets. I was 100% clear I was JUST bringing my experience

The Rancid Honeytrap @RancidTarzie · 18h
@SMAurizi yeah, I know. But I think the claim that you and he never negotiated is more compelling if the govt > @carwinb

stefania maurizi @SMAurizi · 18h
. @RancidTarzie @carwinb among reporting criticized by Gen Alex.. press release mentioned Espresso, finally tried 2 access story b4 publication

The Rancid Honeytrap @RancidTarzie · 18h
@SMAurizi so you have said. We can quit now if you are not going to talk in more detail about redactions. @carwinb
stefania maurizi @SMaurizi · 18h
(2/2) @RancidTarzie @carwinb when I told GG that I thought that SCS file had been TOO heavily redacted, he agreed to a less redacted version.

The Rancid Honeytrap @RancidTarzie · 17h
@SMaurizi if you can just give me more specifics on this conversation I’ll stop bothering you. twitter.com/SMaurizi/statu… @carwinb

stefania maurizi @SMaurizi · 17h
@RancidTarzie @carwinb we were working together as 2journos working on the same story, so I thought I had the right question his redactions.

The Rancid Honeytrap @RancidTarzie · 17h
@SMaurizi I don’t understand why some sites are revealed but not others. What was the benchmark for exclusion/inclusion? @carwinb

stefania maurizi @SMaurizi

(2/2) @RancidTarzie @carwinb and Spiegel had already published a file about SCS sites, widely circulated and also available on cryptome.

5:17 PM · 28 Mar 2014

The Rancid Honeytrap @RancidTarzie · 17h
@SMaurizi so why didn’t you publish all of them? was the result a compromise with GG? Did he refuse? @carwinb

stefania maurizi @SMaurizi · 17h
@RancidTarzie @carwinb as I said, in my opinion, it was not necessary to edit the list, but GG thought it was and we were working together.

stefania maurizi @SMaurizi · 17h
@RancidTarzie @carwinb no, GG was willing to discuss when I told him openly that the SCS sites files was too heavily redacted.
The Rancid Honeytrap @RancidTarzie - 17h
@SMaurizi can you confirm that there are Italian sites that are still redacted? and also state rationale for showing some/not others?
