Dear Mr. Greenewald:

This letter is in response to a referral received from the DIA, dated December 14, 2015 in which the National Geospatial-Intelligence Agency (NGA) was asked to review three (3) documents, a total of twenty-one (21) pages, and to respond directly back to you.

After a careful review, NGA subject matter experts have determined that the pages may be released in part with some information being withheld because it is classified and/or is protected from release under FOIA exemption (b)(1) in accordance with Executive Order 13526, Section 1.4(c). Executive Order 13526, Section 1.4(c) authorizes classification of information that is relevant to intelligence activities (including covert action), intelligence sources or methods or cryptology.

A portion of the document is also being withheld pursuant to FOIA Exemption (b)(3), which incorporates nondisclosure provisions contained in other Federal statutes. In this case, the Federal statute is 10 U.S.C. § 424, which exempts the disclosure of organizational and personnel information for DIA and NGA.

Additionally, we are withholding information under FOIA exemption (b)(6), which protects all information about individuals in "personnel and medical files and similar files" when the disclosure of such information "would constitute a clearly unwarranted invasion of personal privacy.

Appeals to the NGA determination should be made in writing within 60 days from the date of this letter and sent to the National Geospatial-Intelligence Agency, Freedom of
To whom it may concern,

This is a non-commercial request made under the provisions of the Freedom of Information Act 5 U.S.C. S 552. My FOIA requester status as a "representative of the news media." I am a freelance television producer often working on documentaries related to my FOIA requests, my work is commonly featured throughout major news organizations, and I freelance writer for news sites as well. Examples can be given, if needed.

I prefer electronic delivery of the requested material either via email to john@greenewald.com or via CD-ROM or DVD via postal mail. Please contact me should this FOIA request should incur a charge.

I respectfully request a copy of records, electronic or otherwise, pertaining to: Cryptome.org. Please include all files that reference this website, including, but not limited to, memos, letters, reports, investigative files, etc.

Thank you so much for your time, and I am very much looking forward to your response.

Sincerely,

John Greenewald, Jr.

/CAMPS. AN ORGANIZED CAMP, PORT AU PRINCE CARADEUX TENT CITY,
/CONSISTING OF 51 TENTS HAD BEEN SET UP ON 27 JANUARY (IN THE
/VICINITY OF [IVO], JUST SOUTH OF THE US EMBASSY. A
SECOND ORGANIZED CAMP, PORT AU PRINCE ZEPHYR TENT CITY, WAS
/OBSERVED ON 27 JANUARY (IVO AND CONSISTED OF 82
/TENTS AND ONE LARGE SUPPORT TENT.
/
A probable IDP settlement, Port au Prince Daspinasse Tent City, was in the early stages of construction on 27 January, 7 km north of Croix des Bouquets on the outskirts of the capital. Crews were clearing brush and grading earth in preparation for construction. Four to five large containers were observed, possibly housing construction materials, and a probable support bivouac had been set up outside the compound. According to Cryptome.org, a semi-permanent or permanent IDP settlement, capable of accommodating up to 40,000 people, is being built by the UN in Croix des Bouquets. [3]

Since at least 23 January, we have observed probable IDPs from Port-au-Prince traveling to other areas of Haiti via bus. On 24 January USAID reported that the Haitian government had facilitated the departure of roughly 235,000 people from Port-au-Prince. [2] According to the UN Office for the Coordination of Humanitarian Affairs, the following numbers of IDPs were relocated to the following departments (provinces) in Haiti: 62,573 to Artibonite; 31,250 to Nord-Ouest; 13,500 to Nord; 14,680 to Centre; 7,700 to Nord Est; 22,800 to Ouest; 22,425 to Sud; 30,000 to Grande Anse; and more than 30,000 to Nippes. [3]

(U) Outlook

As long as earthquake victims are able to receive aid in Port-au-Prince and/or relocation centers are set up outside the capital, [b1] does not expect Haitians to migrate en masse from Haiti. We expect to see relief organizations set up additional camps as more workers arrive, and we will monitor established IDP camps for indications that Haitians are leaving the camps to migrate elsewhere in the country or emigrate from Haiti.

SUBJ: [b] [b] [b] [b] HA: NO MASS MIGRATION OBSERVED AS OF 27 JANUARY [U]

(U) WARNING: THIS CABLE IS CLASSIFIED [b]

[O] NO EVIDENCE OF MASS MIGRATION HAS BEEN OBSERVED AT COMMON MIGRATION POINTS IN HAITI AS OF 1435Z ON 27 JANUARY 2010.

(PUBLISHED AS [b]

TEXT:

1. PORT AU PRINCE PORT INSTALLATION [b]

47400 HA [b]

(U) SUMMARY

[O] NO EVIDENCE OF MASS MIGRATION HAS BEEN OBSERVED AT COMMON MIGRATION POINTS IN HAITI AS OF 1435Z ON 27 JANUARY 2010, EVEN THOUGH A RELATIVELY SMALL NUMBER OF HAITIANS REPORTEDLY ATTEMPTED TO MIGRATE TO TURKS AND CAICOS AND THE BAHAMAS. [1] THE OVERALL NUMBER AND SIZE OF CAMPS FOR INTERNALLY DISPLACED PERSONS (IDP'S) IN AND AROUND PORT-AU-PRINCE HAS NOT CHANGED [b] HOWEVER, [b] HAS OBSERVED THAT TWO MAKESHIFT IDP CAMPS IN PORT-AU-PRINCE ARE BEING REPLACED BY TWO INTERNATIONALLY ORGANIZED CAMPS IN RECENT DAYS. THIS [b] SIGNPOST SERIES IS DESIGNED TO WARN ABOUT POSSIBLE INDICATORS OF HAITIAN LAND-BASED MASS MIGRATION, EITHER TO SHORE AREAS FOR DEPARTURE BY SEA OR TO BORDER CROSSINGS BETWEEN HAITI AND THE DOMINICAN REPUBLIC.

SECRET//NF

1 of 44

5/15/2015 7:36 AM
BACKGROUND

THOUSANDS OF HAITIANS MIGRATED FROM THEIR COUNTRY IN 1991, 1992, AND 1994 DURING TIMES OF POLITICAL, ECONOMIC, AND HUMANITARIAN STRIFE AS WELL AS IN TIMES OF VIOLENCE. ACCORDING TO US GOVERNMENT INFORMATION, FAVORABLE CHANGES (PERCEIVED OR REAL) IN THE UNITED STATES' REPATRIATION POLICY MOST LIKELY TRIGGERED THE EXODUSES.

DISCUSSION

MIGRATION

NORMAL LEVELS OF ACTIVITY WERE OBSERVED AT THE FOLLOWING COMMONLY KNOWN MASS MIGRATION DEPARTURE POINTS ON 27 JANUARY:
- PORT-AU-PRINCE
- PORT-DE-PAIX
- ILE DE LA TORTUE
- MOLE SAINT NICOLAS
- GONAIVES
- FORT LIBERTE
- ILE DE GONAVE

ACCORDING TO THE U.S. STATE DEPARTMENT, 194 HAITIANS WERE INTERDICTED BY TURKS AND CAICOS ISLAND MARINE POLICE IN THE
VICINITY OF WEST CAICOS, TURKS AND CAICOS ON 27 JANUARY, AFTER SAILING FOR EIGHT DAYS. THE HAITIANS WERE ABOARD A 40-FOOT SLOOP THAT REPORTEDLY DEPARTED WITH THREE ADDITIONAL SLOOPS. ON 26 JANUARY AT LEAST 20 PEOPLE, BELIEVED TO BE UNDOCUMENTED HAITIAN IMMIGRANTS, HAD BEEN APPREHENDED ON THE SHORE OF THE BAHAMAS. [1]

(U) BORDER CROSSINGS

NO UNUSUAL ACTIVITY WAS OBSERVED ON 27 JANUARY AT THE DAJABON AND JIMANI MALPASSE BORDER CROSSINGS ON THE HAITI-DOMINICAN REPUBLIC BORDER.

(U) IDP'S

THERE HAS BEEN NO CHANGE IN THE OVERALL DISPOSITION OF IDP'S IN AND AROUND PORT-AU-PRINCE SINCE YESTERDAY, ACCORDING TO ANALYSIS OF IMAGERY ACQUIRED ON 27 JANUARY (SEE FOR MORE INFORMATION). IN RECENT DAYS NGA HAS OBSERVED THAT TWO INTERNATIONALLY ORGANIZED CAMPS HAVE BEGUN REPLACING TWO MAKESHIFT IDP CAMPS IN PORT-AU-PRINCE. WE HAVE ALSO NOTED THE PROBABLE EARLY STAGES OF CONSTRUCTION OF A SEMI-PERMANENT IDP SETTLEMENT NEAR CROIX DES BOUQUETS.

IN TWO LOCATIONS IN PORT-AU-PRINCE,

WE HAVE OBSERVED ORGANIZED TENT CAMPS, MOST LIKELY ESTABLISHED BY INTERNATIONAL AID ORGANIZATIONS, REPLACING MAKESHIFT IDP CAMPS. ONE ORGANIZED CAMP, CONSISTING OF 51 TENTS HAD BEEN SET UP (IN THE VICINITY OF (IVO) ON 27 JANUARY, JUST SOUTH OF THE U.S. EMBASSY. A SECOND ORGANIZED CAMP WAS OBSERVED ON 27 JANUARY (IVO AND CONSISTED OF 82 TENTS AND ONE LARGE SUPPORT TENT.

A PROBABLE IDP SETTLEMENT WAS IN THE EARLY STAGES OF CONSTRUCTION ON 27 JANUARY, 7 KM NORTH OF CROIX DES BOUQUETS ON THE OUTSKIRTS OF THE CAPITAL. CREWS WERE CLEARING BRUSH AND GRADING EARTH IN PREPARATION FOR CONSTRUCTION. WE OBSERVED FOUR TO FIVE LARGE CONTAINERS,
POSSIBLY HOUSING CONSTRUCTION MATERIALS, AND NOTED THAT A PROBABLE SUPPORT BIVOUAC HAD BEEN SET UP OUTSIDE THE COMPOUND. A SEMI-PERMANENT OR PERMANENT IDP SETTLEMENT, CAPABLE OF ACCOMMODATING UP TO 40,000 PEOPLE, IS BEING BUILT BY THE U.N. IN CROIX DES BOUQUETS, ACCORDING TO CRYPTOME.ORG. [3]

OUTLOOK

AS LONG AS EARTHQUAKE VICTIMS ARE ABLE TO RECEIVE AID IN PORT-AU-PRINCE AND/or relocation centers are set up outside the capital, [DOES NOT EXPECT HAITIANS TO MIGRATE EN MASSE FROM HAITI. WE EXPECT TO SEE RELIEF ORGANIZATIONS SET UP ADDITIONAL CAMPS AS MORE WORKERS ARRIVE AND WE WILL MONITOR ESTABLISHED IDP CAMPS FOR INDICATIONS THAT HAITIANS ARE LEAVING TO MIGRATE ELSEWHERE IN THE COUNTRY OR EMIGRATE FROM HAITI. WILL ALSO CONTINUE TO MONITOR COMMON MASS MIGRATION DEPARTURE POINTS FOR ANY INDICATIONS OF AN IMMINENT LAND-BASED MASS MIGRATION FROM HAITI.

METHODOLOGY

IS DESIGNED TO WARN ABOUT POSSIBLE INDICATORS OF HAITIAN LAND-BASED MASS MIGRATION, EITHER TO SHORE AREAS FOR POTENTIAL DEPARTURES BY SEA OR TO BORDER CROSSINGS BETWEEN HAITI AND THE DOMINICAN REPUBLIC. MONITORING FOR UNUSUAL LEVELS OF CIVILIAN ACTIVITY AT 17 COMMON MIGRATION DEPARTURE POINTS ALONG THE COASTLINE AND COASTAL ISLANDS, INCLUDING HIGHER-THAN-NORMAL LEVELS OF PEOPLE AT SHORE SITES AND EXTREMELY LARGE NUMBERS OF VESSELS AND WATERCRAFT (ESPECIALLY MAKESHIFT) IMMEDIATELY OFFSHORE. ALSO MONITORING FOUR BORDER CROSSING POINTS FOR AN INCREASED FLOW OF TRAFFIC FROM HAITI INTO THE DOMINICAN REPUBLIC AND FOR THE ESTABLISHMENT OF IDP CAMPS AT THE BORDER POINTS. IN ADDITION, MONITORING 225 IDP CAMPS THAT HAVE BEEN SET UP IN THE PORT-AU-PRINCE AND LEOGANE AREAS FOR A NET DECREASE IN CAMP SIZE, WHICH WOULD BE A DEPARTURE OF APPROXIMATELY 20 PERCENT OF THE ESTIMATED IDP POPULATION, OR 10,000 PEOPLE. HOWEVER, A NET DECREASE IN TENT CAMP SIZE ALONE CANNOT CONFIRM ONGOING MASS MIGRATION BECAUSE IT MAY ALSO INDICATE THAT HAITIAN IDP'S ARE MOVING ELSEWHERE IN HAITI.

CONTROLS

SECRET

SECRET/NO
Since the 12 January 2010 earthquake in Haiti, approximately 225 camps, housing at least 150,000 internally displaced persons (IDP's), have been set up in the capital, Port-au-Prince, and the nearby town of Leogane. In recent days, observed organized camps, most likely established by international aid organizations, replacing two makeshift IDP camps in Port-au-Prince, as well as the probable early stages of construction of a semi-permanent IDP settlement near Croix des Bouquets.
BACKGROUND

On 12 January, a large 7.0-magnitude earthquake struck 16 km southeast of the heavily populated capital city of Port-au-Prince, Haiti. The earthquake damaged many structures in and around the city, where an estimated 4 million people live. [1] As a result of the catastrophic damage, IDP's have set up at least 225 tent camps in the Port-au-Prince and Leogane areas.

Thousands of Haitians migrated from their country in 1991, 1992, and 1994 during times of political, economic, and humanitarian strife as well as in times of violence. According to US government information, favorable changes (perceived or real) in the United States' repatriation policy most likely triggered the exoduses.

DISCUSSION

About 225 IDP camps in and around Port-au-Prince -- comprising a total of more than 15,000 tents or at least 150,000 IDP's [A] in Port-au-Prince since 22 January; however, the US agency for international development (USAID) reported that 600,000 Haitians in Port-au-Prince are displaced. [2] The large discrepancy between estimated total number of IDP's may be attributable to IDP's migrating out of the Port-au-Prince area; IDP's living in non-traditional camps, which are not observable [b](1)

The largest established IDP camps for changes in size, [b](1)

During this time period, the following five camps had an overall increase of nearly 20,000 IDP's. NGA is still in the process of comparing all 225 camps for changes in size and will report those results in a following update.

---

*ESTIMATING 10 PERSONS PER TENT

PORT-AU-PRINCE,
WE HAVE OBSERVED ORGANIZED TENT CAMPS, MOST LIKELY ESTABLISHED BY INTERNATIONAL AID ORGANIZATIONS, WHICH ARE REPLACING MAKESHIFT IDP CAMPS. ONE ORGANIZED CAMP, PORT AU PRINCE CARADEUX TENT CITY, CONSISTING OF 51 TENTS HAD BEEN SET UP ON 27 JANUARY (IN THE VICINITY OF [IVO]), JUST SOUTH OF THE US EMBASSY. A SECOND ORGANIZED CAMP, PORT AU PRINCE ZEPHYR TENT CITY, WAS OBSERVED ON 27 JANUARY (IVO) AND CONSISTED OF 82 TENTS AND ONE LARGE SUPPORT TENT.

PROBABLE IDP SETTLEMENT, PORT AU PRINCE DASPINASSE TENT CITY, WAS IN THE EARLY STAGES OF CONSTRUCTION ON 27 JANUARY, 7 KM NORTH OF CROIX DES BOUQUETS ON THE OUTSKIRTS OF THE CAPITAL. CREWS WERE CLEARING BRUSH AND GRADING EARTH IN PREPARATION FOR CONSTRUCTION. FOUR TO FIVE LARGE CONTAINERS WERE OBSERVED,
POSSIBLY HOUSING CONSTRUCTION MATERIALS, AND A PROBABLE SUPPORT BIVOUAC HAD BEEN SET UP OUTSIDE THE COMPOUND. ACCORDING TO CRYPTOME.ORG, A SEMI-PERMANENT OR PERMANENT IDP SETTLEMENT, CAPABLE OF ACCOMMODATING UP TO 40,000 PEOPLE, IS BEING BUILT BY THE UN IN CROIX DES BOUQUETS. [3]

SINCE AT LEAST 23 JANUARY, WE HAVE OBSERVED PROBABLE IDP'S FROM PORT-AU-PRINCE TRAVELING TO OTHER AREAS OF HAITI VIA BUS. ON 24 JANUARY USAID REPORTED THAT THE HAITIAN GOVERNMENT HAD FACILITATED THE DEPARTURE OF ROUGHLY 235,000 PEOPLE FROM PORT-AU-PRINCE. [2] ACCORDING TO THE UN OFFICE FOR THE COORDINATION OF HUMANITARIAN AFFAIRS, THE FOLLOWING NUMBERS OF IDP'S WERE RELOCATED TO THE FOLLOWING DEPARTMENTS (PROVINCES) IN HAITI: 62,573 TO ARTIBONITE; 31,250 TO NORD-OUEST; 13,500 TO NORD; 14,680 TO CENTRE; 7,700 TO NORD EST; 22,800 TO OUEST; 22,425 TO SUD; 30,000 TO GRANDE ANSE; AND MORE THAN 30,000 TO NIPPES. [3]

OUTLOOK

AS LONG AS EARTHQUAKE VICTIMS ARE ABLE TO RECEIVE AID IN PORT-AU-PRINCE AND/OR RELOCATION CENTERS ARE SET UP OUTSIDE THE CAPITAL, [6)(1) NOT EXPECT HAITIANS TO MIGRATE EN MASSE FROM HAITI. WE EXPECT TO SEE RELIEF ORGANIZATIONS SET UP ADDITIONAL CAMPS AS MORE WORKERS ARRIVE, AND WE WILL MONITOR ESTABLISHED IDP CAMPS FOR INDICATIONS THAT HAITIANS ARE LEAVING THE CAMPS TO MIGRATE ELSEWHERE IN THE COUNTRY OR EMIGRATE FROM HAITI.
