SUBJECT: ACTIVITY OF FRENCH D.G.E.R., INTELLIGENCE ORGANIZATION  
RE : Activity in Italy

1. A reliable informant reports that an intercept destined for the PARRI (ex-president of the CLN and ex-prime minister) information services discloses that the D.G.E.R. (DIRECTION GENERALE DES ETUDES ET RENSEIGNEMENTS), French intelligence, is actively engaged in Italy against Italian interests, but aimed at discrediting and neutralizing the favorable American economic position enjoyed at present by American interests.

2. The report also states that the "other Allied nation" is behind this activity which is being financed and backed on an agreement reached by DE GAULLE (when he was at the head of the French government) and the the foreign office of the "other Allied nation".
