SUBJECT: Proposed Transfer of Dr. BOLOGNESI, PS, Frontier
Control

TO : Major B.S. SIMMONDS, G-2, CI(iii), AFHQ

1. The Ministry of the Interior has proposed that Dr. Paolo BOLOGNESI, Lt. Col., PS, Frontier Control be transferred as liaison officer for your headquarters to become Vice Questore of Milan.
2. This officer has discussed the matter over with Dr. BOLOGNESI and has come to the conclusion that the move is inadvisable at this time.
3. The move will be the complete abolishment of a central office in Northern Italy which could deal directly with the various problems related to the frontier.
4. This would work to our disadvantage since frontier posts would naturally come under the command of the regional commissarios and far away Rome.
5. It is recommended by this office that the move be blocked and the status quo preserved.
