SUMMARY OF INFORMATION:

The following information has been received from an usually reliable confidential source in Rome. Investigations have been made in Milan in order to ascertain the truth of the information, but no positive results have been attained up to the present moment.

1. The international association "LES AMIS DE LA LIBERTE" has been founded in Belgrade, and has its headquarters in that city. Its members are pro-Tito Yugoslavs or Pan-Slavs.

2. The association has branches in all the main cities of Western Europe.

3. "LES AMIS DE LA LIBERTE" is an allegedly cultural association, but it actually performs propaganda and informative work, side by side with the OZMA. It has been noted that its members are either Yugoslavs and Russians, or Pan-Slavs.

4. An investigation is under way to ascertain the real existence of this organization and its real purposes.
