COUNTER INTELLIGENCE CORPS  
MILAN DETACHMENT, ZONE 3  
APO 512, United States Army

24 July 1948

SUMMARY OF INFORMATION.-

SUBJECT: City Policement in Milan.

There is a definite tendency in subject organization to bring it under the influence of the PCI. It seems that the main instigator is the extraordinary Commissioner BOSSI, whose connections with the PCI are quite evident. He is responsible for the brutal treatment of the alleged neo-fascists mentioned in former reports. It is a well known fact that he gave a terrific build up to the whole affair, in connection with Rem FIOCCI of the Corriere della Sera, for personal reasons and political intentions.

He is being helped by three Agents (Orlando ANDREOLI, BIANCHINI and FIOCCHI) who are his own body guards. They are personally responsible for the brutal treatment inflicted upon the alleged neo-fascists, especially upon an individual named FACCINI. This situation has created disorder and disorganization in the Corps, thereby serving the purposes of Commissioner BOSSI.
