APO 512

26 December 1944

MEMORANDUM FOR MAJOR RALPH W. POWERS, CHIEF, CIC, AFHQ:

SUBJECT: Personnel Needs.

1. Enclosed is a proposed list of personnel requirements for the Italo-Swiss travel control section.

a. Teams have been provisionally set up in order to allocate personnel, insure sufficient transportation, and organic equipment under T/O and E 30-500.

2. If feasible, the communication problem could be solved by attaching a Signal Corps platoon to this section. The Signal Corps could assure telephonic and radio communication between branch offices and frontier outposts.

3. In the same manner, adequate and effective transportation could be realized by attaching 10 or 15 maintenance mechanics to the section.

4. Would appreciate any suggestions you might care to offer in regard to this.

JAMES T.O. BRAAFIADT
2nd Lieutenant, M.I.

cc: Lt Col Stepanovich,
G-2(CI-iii), AFHQ.
