COUNTER INTELLIGENCE CORPS  
MILAN DETACHMENT ZONE 3  
APO 512 U.S. ARMY

27 August 1946

SUMMARY OF INFORMATION:

**SUBJECT: Discovery of Uranium Deposits in France**

1. An unconfirmed report from a reliable informant states that a uranium deposit has been discovered in France.

2. The presence of a Uranium deposit has been ascertained by French scientists and engineers. Its extension and percentage is unknown, but is being determined at the present time.

3. The location is not known, but the informant states that the discovery was made near a castle once owned by a French political personality.

4. This information should be treated with reserve since the report has not been confirmed by other sources.

Nicholas A. NATSIOS  
Special Agent, CIC
