SUMMARY OF INFORMATION.-

SUBJECT: Royal Yugoslav Propaganda Leaflets
Distributed in Zone "B" of The V.G.

The following are translations of original Royal Yugoslav propaganda leaflets distributed in Zone "B" by the National Committee of the Kingdom of Yugoslavia Abroad and brought to this Agent by reliable informants:

1. LIBERTY OR DEATH
SOLDIERS AND OFFICERS
SLOVENES, CROATS, and SERBS

"In 1941, united and with rifles in your hand you took to the hills to continue resistance against the enemy and to fight for the freedom of our people. You were not communists and you did not fight to establish a communist dictatorship, because know very well that our people do not approve of Communism. But the communists penetrated your ranks and with lies and acts of terror became your leaders and are now your masters.

"The moment of liberation from the communist yoke is approaching. Do not be afraid! Be courageous! Be prepared to fight by our side to rid ourselves of the communist yoke.

"Assassinate the 'menteurs', the political commissars who are keeping the truth from you and pushing you towards a war against our Western Allies. Our people do not want another war. It wants peace with the Allies. Our people do not want TITO.

DOWN WITH TITO ! DOWN WITH COMMUNISM !

LONG LIVE FREE DEMOCRACY!

LONG LIVE OUR WESTERN ALLIES!

2. LIBERTY OR DEATH !
HEADS UP !

"The day of liberation from the communist Dictatorship is approaching. The year 1947 is the year of the downfall of the communist Dictatorship in all of the world. This shall be the year of the death of the ruthless Marshal TITO and his gang in Yugoslavia. Brother Slovenes, Croats, and Serbs unite and be prepared to revolt at the given signal. We shall cross the border and attack the communists. Kill the political commissars and join our units which are bringing to you FREEDOM, DEMOCRACY, and the friendship of our WESTERN ALLIES."

"DOWN WITH COMMUNIST DICTATORSHIP !"

"DOWN WITH TITO, MURDERER OF OUR PEOPLE !"

"LONG LIFE TO FREE AND INDIVISIBLE YUGOSLAVIA !"

C O N F I D E N T I A L

3. "BROTHER SLOVENES AND ISTRINIANS"

"A small number of you are struggling to annex Trieste to TITO's Yugoslavia. While Yugoslavia is governed by Communist criminals this will not happen. But when in Yugoslavia the regime becomes really a free democracy, Trieste will become Yugoslav and will be able to live united with the rest of your brother Slovenes, Croats and Serbs. For this reason we invite you to unite with us against our common tyrant TITO and the communists to bring freedom to our suffering people."
