SECTION 1: GENERAL ISSUANCE INFORMATION

1.1. APPLICABILITY. This issuance applies to OSD, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff and the Joint Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities within the DoD (referred to collectively in this issuance as the “DoD Components”).

1.2. MISSION. DIUx:

   a. Functions as an interface node between the DoD, entrepreneurs, start-up firms, and commercial technology companies in Silicon Valley, California (DIUx West); Boston, Massachusetts (DIUx East); and other U.S. technology hubs to increase DoD access to leading-edge commercial technologies and technical talent.

   b. Scouts for promising commercial technology and transfers it into the DoD to ensure battlefield advantage for the next generation of warfighters, in the process pioneering procurement and acquisition pathways optimized for start-up firms and non-traditional entrants to the defense industry.

   c. Uses research and development agreements, contracts, prize competitions, and other forms of acquisition and assistance authorities to solve DoD problems while helping grow the circle of entrepreneurs and investors interested in the immense technical challenges of maintaining U.S. security.

   d. Recruits personnel from the technology sector into full-time, part-time, and term appointments, and advisory roles as part of the Force of the Future initiative, while at the same time growing the community of military veterans and Reserve Component personnel working in the technology industry.

   e. Works in coordination with the Military Departments and the National Guard Bureau to administer a unit tailor-made for Reserve Component personnel working in the technology sector. This unit will help grow the ecosystem of Reserve Component talent with expertise in commercial technology areas that are crucial to warfighting.

1.3. ORGANIZATION AND MANAGEMENT.

   a. DIUx directly supports the immediate office of the Secretary of Defense and Deputy Secretary of Defense.

   b. DIUx will be managed by a partnership-style leadership team. It will consist of one Managing Partner, who will exercise supervisory authority over the DIUx, and a small number of other partners chosen for their expertise in technology, strategy, business, and management.
(1) The Secretary of Defense will appoint the Managing Partner. The Managing Partner, with the concurrence of the Secretary of Defense, will appoint other partners.

(2) The Managing Partner and partners will, as much as possible, make key decisions collectively.

c. The DIUx Technology Review Group, chaired by, and selected by, the Deputy Secretary of Defense, will review projects proposed by DIUx, in accordance with DoD Instruction 5105.18. The Deputy Secretary of Defense will name both permanent and associate members of the Technology Review Group, who will be full-time or permanent part-time government employees or military members. Permanent members will attend all meetings of the Technology Review Group; associate members will attend Technology Review Group meetings when matters under their responsibility are addressed. The Technology Review Group will:

(1) Meet as needed to assess progress and provide guidance to DIUx leadership.

(2) Ensure DIUx is fully coordinated with the activities of the DoD Components, especially the Military Departments and relevant Defense Agencies.
MANAGING PARTNER OF DIUX. The Managing Partner of DIUx, together with the other partners, as appropriate:

a. Articulates DoD interest in integrating leading edge technology into military systems and recruiting leading technical talent into the DoD civilian and uniformed workforce.

b. Oversees operations at all DIUx branch offices, wherever they are established, consistent with applicable laws and regulations. Makes decisions on:

(1) The direct hiring and detailing of personnel, in consultation with the appointing authority for OSD, including approving the composition and work plan of those elements contributed by the Military Services and the other DoD Components.

(2) All research and development and procurement actions made by DIUx and by DIUx in collaboration with other entities.

c. Conducts regular progress and planning calls with the immediate office of the Secretary of Defense and Deputy Secretary of Defense, and meetings as needed with the Secretary of Defense and the Deputy Secretary of Defense. During these meetings, the participants will review all hiring and relational activities of DIUx and receive reports on the status of all contractual actions.

d. Informs the Joint Requirements Oversight Council of any DIUx activities that should be coordinated with the Military Service rapid acquisition cells, and briefs DIUx activities to these bodies at appropriate intervals.

e. Manages DIUx media in coordination with the Office of the Assistant to the Secretary of Defense for Public Affairs.

f. Attends, as an observer, all formally-noticed meetings of the Defense Innovation Board.

g. Participates in relevant DoD forums, as determined by the Deputy Secretary of Defense.

h. Assesses DIUx performance annually, addressing the technical quality, responsiveness, value, and timeliness of work performed.

i. Performs other duties as assigned by the Secretary of Defense and the Deputy Secretary of Defense.
SECTION 3: RELATIONSHIPS

3.1. MANAGING PARTNER OF DIUX. Under the authority, direction, and control of the Secretary of Defense and the Deputy Secretary of Defense, and in performing assigned responsibilities and functions, the Managing Partner of DIUx:

   a. Reports to Chief of Staff to the Secretary of Defense or to the Secretary’s specified designee.

   b. Exercises authority, direction, and control over:

      (1) The other DIUx partners.

      (2) Other subordinate military or civilian personnel assigned to, or under the operational control of, DIUx.

      (3) Other resources assigned by the Deputy Secretary of Defense.

   c. Coordinates and exchanges information with OSD officials, the DoD Component heads, and federal officials with collateral or related responsibilities and functions.

3.2. VICE CHIEFS OF THE MILITARY SERVICES. Under the authority, direction, and control of the Secretaries of the Military Departments through the Chiefs of the Military Services, the Vice Chiefs of the Military Services communicate the priority needs and requirements of their respective Military Services to DIUx.

3.3. OSD OFFICIALS AND DOD COMPONENT HEADS. OSD officials and the DoD Component heads coordinate with the DIUx partners on all matters under their purview related to the responsibilities and functions assigned in this issuance.
SECTION 4: AUTHORITIES

MANAGING PARTNER OF DIUX. The Managing Partner of DIUx is delegated authority to:

a. Communicate directly with OSD officials and the DoD Component heads, as necessary, to perform assigned responsibilities and functions, including requests for advice and assistance by the DIUx partners. Communications to the Military Departments are transmitted through the Secretaries of the Military Departments, as otherwise provided in law, or as the Secretary of Defense directs in other DoD issuances. Communications to the Combatant Commanders will be in accordance with Paragraph 4.b.(3) above the signature of DoD Directive 5100.01.

b. Communicate with other U.S. Government officials, members of the public, and representatives of foreign governments, as appropriate, in carrying out the DIUx partners’ assigned responsibilities and functions. The DIUx partners must conduct communications with representatives of the Legislative Branch through the Office of the Assistant Secretary of Defense for Legislative Affairs, except for communications with the Defense Appropriations Committees. In those cases, the DIUx partners will coordinate with the Office of the Under Secretary of Defense (Comptroller)/Chief Financial Officer, Department of Defense. Communications will comply with the requirements of the DoD Legislative Program.

c. Obtain reports and information, as necessary, to perform assigned responsibilities and functions, in accordance with DoD Instruction 8910.01.

d. Enter into support agreements with other federal agencies, as necessary, to perform assigned responsibilities and functions, in accordance with DoD Instruction 4000.19.

e. Use existing systems, facilities, and services of the DoD, and other federal agencies, when possible, to avoid duplication and to achieve maximum efficiency and economy.

f. Exercise all necessary acquisition authorities through a Military Department, DoD contract administration services component, or a federal agency, as appropriate, to further DIUx’s mission, as approved by the Deputy Secretary of Defense.

g. Request waivers to selected requirements of DoD regulations, directives, instructions, or other policy related to the responsibilities and functions assigned in this issuance. The respective OSD Principal Staff Assistant policy proponent must adjudicate any DIUx waiver request within 10 business days. The basis of denial of any DIUx waiver request must be fully documented and subject to review by the immediate office of the Secretary of Defense and Deputy Secretary of Defense.
SECTION 5: ADMINISTRATION

5.1. DOD COMPONENT HEADS. The DoD Components heads will provide assistance and administrative support to DIUx, as required, through intra-agency support agreements in accordance with DoD Instruction 4000.19.

5.2. SECRETARIES OF THE MILITARY DEPARTMENTS. The Secretaries of the Military Departments expeditiously support the assigning of military personnel to DIUx, including one O-7 military deputy to the Managing Partner of DIUx, and O-6 deputies at each DIUx branch office.

5.3. UNDER SECRETARY OF DEFENSE FOR ACQUISITION, TECHNOLOGY, AND LOGISTICS AND SERVICE ACQUISITION EXECUTIVES. The Under Secretary of Defense for Acquisition, Technology, and Logistics and the Service Acquisition Executives (under the authority, direction, and control of the Secretaries of the Military Departments):

a. Assign qualified contracts and agreements personnel to DIUx and will use all available authorities and resources to support DIUx’s mission of agile and non-traditional acquisition.

b. Co-locate, on a rotating basis, one contracting officer to be located in situ at DIUx.

5.4. UNDER SECRETARY OF DEFENSE (COMPTROLLER)/CHIEF FINANCIAL OFFICER, DEPARTMENT OF DEFENSE AND DIRECTOR OF COST ASSESSMENT AND PROGRAM EVALUATION. The Under Secretary of Defense (Comptroller)/Chief Financial Officer, Department of Defense and the Director of Cost Assessment and Program Evaluation serve as advisors to the DIUx partners and will provide support on the necessary funding execution, budgeting, and programmatic administration of DIUx.

5.5. GENERAL COUNSEL OF THE DEPARTMENT OF DEFENSE. The General Counsel of the Department of Defense appoints a Counsel to be embedded in DIUx, with responsibility to provide legal advice to DIUx, with particular emphasis on ethical, fiscal, and acquisition matters. The DIUx Counsel is part of the Defense Legal Services Agency, reporting to the Deputy DoD General Counsel (Acquisition and Logistics), the Principal Deputy General Counsel, and the General Counsel, and will work closely with the Office of General Counsel Innovation Counsel, once established.

5.6. DOD CHIEF INFORMATION OFFICER. The DoD Chief Information Officer ensures capable information technology and cyber security support to assigned DIUx personnel in the execution of their duties.
5.7. **DIRECTOR, WASHINGTON HEADQUARTERS SERVICES.** Under the authority, direction, and control of the Deputy Chief Management Officer of the Department of Defense through his or her Director of Administration, the Director, Washington Headquarters Services, provides administrative and common support services, including manpower management, human resources, security clearance services, facilities and facilities operations, financial management, contracting, and other support, as required. This includes, but is not limited to:

a. Supporting and overseeing all manpower, workforce mix, staffing, and personnel needs of DIUx. All available hiring authorities will be explored to hire DIUx civilian personnel and advisors.

b. Maintaining oversight of the DIUx program for the purposes of performing all necessary funding execution, budgeting, and programmatic administration of the program.
GLOSSARY

G.1. ACRONYM.

DIUx  Defense Innovation Unit Experimental

G.2. DEFINITIONS. These terms and their definitions are for the purpose of this issuance.

OSD officials. The OSD Component heads, who also serve as Principal Staff Assistants; the other OSD Presidentially-appointed, Senate-confirmed officials; and the Director of the Strategic Capabilities Office.

partnership. An association of two or more persons engaged as collective leaders of DIUx, who pool their expertise to optimize access to U.S. commercial technology and technical talent in support of DoD interests. The Managing Partner is in charge of DIUx’s overall management and day-to-day operations, but, to the extent practical, the partnership will act collectively for decision making purposes. Use of the term in this context does not imply business ownership or any exception to government contacting rules and regulations.
