DUE DILIGENCE QUESTIONNAIRE

Trusts
Disclaimer:

Please note that if you instruct us to constitute a New Zealand trust, our agreement to constitute such a structure is not to be construed in any way as being tax advice. We will provide tax advice if required, but this will be the subject of a specific engagement once we have received your written instruction, which will include your explanation of all relevant factors and the result that you would like to obtain. This will involve the completion of our initial tax planning questionnaire (“Tax Planning Questionnaire”), and following this we can provide you with an estimate of the likely time required. Our fee for the Tax Planning Questionnaire as at 1 April 2014 is USD 900.00 (plus GST and disbursements if relevant).

       (i) He/she is able to pay his/her debts as they fall due;
       (ii) His/her assets exceed his/her liabilities (including contingent liabilities);
       (iii) That upon transferring any assets to the Trustees of the Trust, the value of the Relevant Party's remaining assets will exceed his/her liabilities defined in (ii) above.
   (c) He/she understands that once the Trust is created, legal ownership of the Trust property transfers from the Relevant Party to the Trustee(s) and that retention of control by him/her over the Trust assets and control of the Trustee is likely to render the Trust a "sham" in law.
   (d) All information provided in the relevant due diligence questionnaire is true and correct and he/she authorises Bentley's Chartered Accountants Limited to take up such references as they may deem fit to establish his/her bona fides.
   (e) He/she is not aware of any action cause or litigation of whatever nature threatening or outstanding, contingent or pending against him/her or affecting any of his/her assets and he/she does not have actual notice of any such claim or of the facts or circumstances which may render him/her liable to any such claim.
   (f) He/she has no intention of using the Trust to evade (nor has the Trust been established with a view to evading) any tax obligation of whatever nature and he/she hereby undertakes that all income and capital gains and all such other details of whatever nature as are required by relevant legislation shall be declared by him/her as required under the laws of his/her jurisdiction.
   (g) The Settlor has sought professional tax advice in his/her jurisdiction of domicile/residence and in each jurisdiction in which any assets are located with regard to the establishment of the Trust and the Settlor understands that Bentley's Chartered Accountants Limited takes no responsibility for any tax consequences of the Trust, nor for any disclosures required to be made to governmental authorities.
   (h) None of the assets or income to be transferred, either initially or subsequently to the Trustees of the Trust relates to or is in any manner derived from armaments, unlawful drugs or other unlawful controlled substances, money laundering of whatsoever nature, terrorist acts, or any other activity which the Relevant Party knows to be unlawful in his/her country of citizenship, residence or domicile or in any other part of the world.
   (i) None of his/her net worth, income or activities relates in any manner to or is derived from armaments, unlawful drugs or other unlawful controlled substances, money laundering of whatsoever nature, terrorist acts or any other activity which he/she
knows to be unlawful in his/her country of citizenship, residence or domicile or in any other part of the world.

(j) He/she further understands that, if he/she made any untruthful, false or misleading statement regarding any of the representations made herein, the Trust/Settlement may be voidable at the instance of or upon application by any creditor to a competent Court of Law and the assets held thereunder may be liable to claim by any such creditor and/or liable to confiscation by a competent Authority.

(k) He/she does not intend to hinder, delay or defraud any creditors, or to engage in any unlawful conduct in relation to creditors and does not intend to engage other entities in order to facilitate or otherwise engage in such activity.

(l) He/she is not a resident for taxation purposes in the United States of America, France, Australia or New Zealand.

2. I have carried out due diligence checks on him/her and can confirm that there is no information in my possession to suggest that he/she is not a fit and proper person and particularly to my knowledge:-

If either the Settlor or a Beneficiary or another Relevant Party in the future becomes fiscally resident in New Zealand, we undertake to notify you immediately upon becoming aware.

5. We acknowledge that:

1. No tax advice is being provided by Bentley's Chartered Accountants in this questionnaire and as part of the constitution of this structure and if any such tax advice is required, that this will be the subject of a separate engagement.

2. If the trustee of the Trust makes its decisions or is controlled in a country other than New Zealand, you do not have any responsibility in respect of any consequences that may arise as a result of other jurisdictions’ treatment of the Trust and/or the trustee.
