**Importance:** High

Dear Mr. Solomon,

My name is John Maxemchuk. I am the Director of Lekert Management and, through Hypercomm AG of Switzerland, we are also the indirect owners. We have been attempting to receive a legal opinion from Walkers Global regarding our legal right to execute a contract with Lekert Management. As a matter of procedure, Mossack Fonseca has contacted Rietumu Banka for authorization to release the Certificate of Incumbency and other incorporation documents to Mrs. Lisa Penn-Letsome and/or Mr. Jack Boldarin from Walkers. I have been in contact with Ms. Lidia Zagorodniuc from Rietumu, who assures me that the authorization has been given. However, it seems that this has not reached you. How can we resolve this? The issue is quite urgent. Please let me know what I, as the Director of Lekert Management, can do to expedite this issue.

Best regards,  
John Maxemchuk
